

Southern Legacy Billiards
CUSTOMER APPROVAL & LIFETIME WARRANTY

Southern Legacy Billiards offers a lifetime warranty on all pool table parts, to the original purchaser of the billiards table. Parts must be shown to be factory defective and accompanied by original sales receipt at which time the part will be replaced at our sole discretion. All warranty replacement transactions must be processed by the dealer that handled the original purchase. (Dealer Info on Bottom of This Warranty) Parts damaged due to exposure to high moisture or humidity or natural disasters are not covered under the warranty. (Tables made with MDF or other wood byproducts carry a 5 year warranty from date of purchase.)

Please note that this warranty does not cover installation or leveling problems occurring after qualified installers leave setup premises, or damage to a billiard table as a result of improper installation. By signing this approval form, the purchaser agrees that the table is installed to his or her satisfaction and releases ***Southern Legacy Billiards*** from any problems resulting in customer attempts to move the table. We strongly recommend that tables not be moved by anyone **except a qualified installer.**

Because we cannot control the conditions under which our tables are maintained certain items are excluded from this warranty. Items not covered under warranty include cloth/felt, cushions, facings, and pockets.

This warranty is non-transferable.

I, _____ (purchaser), do hereby approve the installation of the pool table manufactured by Southern Legacy Billiards. I agree that the table is level to my satisfaction and plays according to my expectations. All parts are visible, serviceable, and undamaged. I also understand that ***Southern Legacy Billiards*** recommends that the table not be moved or serviced by anyone other than a qualified installer.
